#### Terms

All course fees must be paid in advance. There are no exceptions to this payment term. Late payment will force a course cancellation at the client's (your) expense. Courses will only be confirmed in writing, by email, on receipt of credit-card payment, or an approved purchase order number generated by your firm's purchasing and approvals system.

Add 10% Goods and Services Tax in Australia.

#### Cancellation Penalty

Where a course is cancelled in writing prior to receipt of full payment, there is no cancellation penalty; and any fees received after that date will be fully credited to the next confirmed date.

Where a course is cancelled in writing after the day of receipt of funds, but no later than 30 days prior to a confirmed course date, the cancellation penalty will be 100% of the invoice amount.

#### \*Remote Location Tariff

Some remote locations such as Port Moresby, Mt Isa, Kalgoorlie, Cobar, Broken Hill and a few others require additional travel time and expense. Training at these locations will necessarily incur a remote location tariff. The tariff will depend on individual circumstances, but passed on to you, the client 'at cost'.
